**Prathap Palyam**

**Positive: Professionalism, Responsiveness, Value**

I have done 2 projects with them and they have professional team to set up a websites I recommend sagar tech to for your website design Great work all the best

**Shrishti Dogra**

**It was a great experience.**

Learnt something new. It was fun. It was exiting to make forms ourself that we only used to fill for years. Enlighted a lot of enthusiasm.

**Jagruti Patil**

**Positive: Professionalism, Quality, Responsiveness**

The amount of effort that the team put into the job to complete it was tremendous. The energy levels and the sincerity which was displayed was exemplary. This definitely has set up higher standards in the organization.

**Owais Farooqui**

These people know exactly what their customer needs, you will never get disappointed with them, they did my 4 projects fabulously, i am definitely going to hire them in future.

**Danyal Balbale**

**Got my first website designed by Sagar tech.**

Within in a few days after contacting sagar tech my website was up and running. Absolutely satisfied by their work. Kudos to team sagar tech.
